

# Transfers of major conventional weapons: sorted by recipient. Deals with deliveries or orders made for year range 1986 to 2014

**Note:** The ‘No. delivered/produced’ and the ‘Year(s) of deliveries’ columns refer to all deliveries since the beginning of the contract. Deals in which the recipient was involved in the production of the weapon system are listed separately. The ‘Comments’ column includes publicly reported information on the value of the deal. Information on the sources and methods used in the collection of the data, and explanations of the conventions, abbreviations and acronyms, can be found at URL <[http://www.sipri.org/contents/armstrad/at\\_data.html](http://www.sipri.org/contents/armstrad/at_data.html)>. The SIPRI Arms Transfers Database is continuously updated as new information becomes available.
