"I think the whole damn country is not going to quiet down until the police are ordered to shoot to kill"

Seabury Ford, KSU prosecutor, Oct. 24, 1970

"We are going to employ every weapon possible...They're the worst type of people that we harbor in AMERIKA... We are going to eradicate the problem— were not going to treat the symptoms."

Gov. Rhodes, May 3, 1970

"The May 4 shooting deaths of four Kent State University students was not necessary and demonstrators harassing National Guardsmen on the campus could have been turned back without gunfire."

FBI Report, July 1970

"Those members of the NATIONAL GUARD who were present on the hill adjacent to the... on May 4, 1970 fired... honest... believe... They... subject... prosecution... death... therefrom..."

Grand Jury report, October, 1970
